Dedication

When you need assistance or help, who is never too busy to lend a helping hand? Who always greets the faculty, parents, and students with a smile? Whom will you always find at the school activities, giving of her own time? This person, the heart of the school and backbone of the school spirit is Mrs. Leona Reno.

Mrs. Reno has served as secretary to Mr. Tardy for seven years. During that time, she has been an advisor to every student who has walked through the school doors. Because she gives a helping hand to lost freshmen and calms the fears of departing seniors, she will never be forgotten by the present, past, and future students.

With sincere appreciation and deepest respect, we, the Journalism class, on behalf of the student body, wish to dedicate the 1963 SPARTAN to Mrs. Reno.

Many Spartans. . .

. . . will long remember that unbeatable Spartan spirit, that unquenchable school pride, that desire to pile honors upon honors as an inseparable part of their school life at Pinconning. . But high school days do not last forever. The seniors graduate, leaving Pinny to the many Spartans who will follow and keep up its pride in accomplishment. . Between these covers is a complete record of this school year at Pinconning. We hope that it will recall many memories.

Mr. Per A. Wickstrom,

. . . . our Superintendent, is serving his seventh year as a leader of Pinconning Area Schools. He came to us from Central Michigan University with teaching experience at Mancelona, Merritt, Chicago and Kalamazoo, and eight years experience as executive head and superintendent of schools. He has already established himself as a dynamic administrator by his positive attitude toward solution of problems confronting our school system.

Mr. Wickstrom received his B.A. at Western Michigan University, M.A. at the University of Michigan, and graduate work at Michigan State University.

Mr. Wickstrom is a member of the following educational organizations:

M.E.A., N.E.A., M.A.S.A. and M.A.E.S.P. He is also a former president of the Pinconning Lions Club, president of the League, and Committeeman of the Boy Scouts.

Mr. Wickstrom has articles published in Nation Schools Magazine, School Executive Magazine, and School Board Journal.

Mr. Parnell Tardy,

. . . our principal, ably supervises the many phases of academic and extracurricular education which are necessary in our school.

He copes with his many administrative duties and maintains a genial, just and cooperative attitude in dealing with the various faculty, pupil, and school personnel relationships, as well as with practical matters affecting the school plant. He also acts as host to guests and represents the school at conferences and public functions.

His A.B. and M.A. are from Western Michigan, and he is now taking an advanced course from Michigan State University.

STUDENT AIDES WORK IN OFFICES

OFFICE AIDES of PHS are necessary members of the office staff. They are responsible for tardy and absence slips and are regular assistants to the administrators. They also do typing and mimeographing. These willing workers are supervised by the regular office secretaries and the administration. Traits imperative for an office aide are reliability, accuracy, cooperativeness and good school citizenship.

This year as in the past, Pinconning takes part with Central Michigan University in a teacher arrangement called the Teacher Education Program. Each semester, a college student assists a teacher in a large class at Pinconning. This program not only helps prospective teachers to gain experience, but enables students in school to learn new ideas and impressions.

Mr. Dewey Ray Schramm, who has been participating in the Teacher Education Project, has taught American History and International Relations here at Pinconning for the second semester. He is 21 years old and was graduated from Armada High School.

Miss Minkstein, who has been participating in the Teacher Education Project, has taught American History and Government here at Pinconning for the first semester. She is twenty years old and was graduated from North Branch High School.

Members of the Pinconning Area School Board wish to congratulate the graduating Seniors, with best wishes for the future.....

The Board of Education of Pinconning Area Schools is a policy making group elected by the people of Pinconning and surrounding communities to carry out the operation of the school. The board members are elected for four year terms, usually two members at a time, so that the continuity of a long range program may be carried out. At its first meeting the board elects its officers, and the new president appoints members to the standing committees for the ensuing year. Regular meetings are held on the third Wednesday of each month. Special meetings may be called by the President, Mr. Frank Kolbiaz. All the members serve because of their spirited interest in education.

Freshman Class Officers Joyce Dubey, Fred Miller, Steve Anderson, and Grant Duley.

The first problem facing the Annual Staff is the choosing of the cover's design and color. Mrs. McMahan shows the Staff the various designs from which they are to choose.

Journalism Class Has Fun

Ken Kurowski, editor, and Carol Rogner, assistant editor, work hard during the year to get things arranged for our 1963 Spartan. Mrs. McMahan, advisor, looks over their plans.

Linda Bennett, Judy Ouillette, and Brenda Cutshaw paste, cut, and write up various needed articles for the senior pictures.

Charles Racette, Lorraine Augustyniak, Linda Charbonneau, Connie Cox, and Suzanne Filipeck spent many hours cutting and pasting the pictures of the underclassmen.

Tom Fedak, Dick Breza, Jim Fowler, Mary Clements, Nancy Kanyo, and George Ford look through other annuals to get an idea of the many different ways of annual layouts. (Eugene Clements absent)

Assembling The 1963 Annual

Our typists, Sharon VanWert, Janice Uhlmann, Pat Russell, Janet Wegener, and Joyce Bauer work diligently throughout the year to get material typed by the deadlines.

Sharon VanWert, advertising manager, has seen to it that all the ads were sold and that the books were kept correctly.

It also encourages the development of attitudes successfully leading to the effective teaching of future generations.

Pinconning Area School's Chapter is a member of the National Organization of Future Teachers and is associated with both the National and Michigan Education Associations.

Future Homemakers

The F.H.A. is for girls who are taking or have taken homemaking. It consists of 65 members. Some of the activities this year included a trip to the Regional meeting in October; where Yvonne LeBourdais was elected regional historian; a Christmas banquet; skating party; mother, daughter tea in the Spring; and sending delegates to the State Meeting in Grand Rapids in April.

In order to carry out these activities the Chapter coined money by selling concessions at ball games, a bake sale, and selling cook books.

The Sports

that left you limp

Faces on the field and off.....

Football is in the air at Pinconning from registration in September to the final game in November. An atmosphere of anticipation builds around the school as "Football Fridays" approach.

Friday afternoon pep meetings with shouting students and inspiring band, help generate the spirit needed by the players. On the field that evening, however, players need more than spirit to be effective.

The stirring performances of Rod Foor, tackle, and Dale Billingsley, guard, showed the necessary requirements of heart and hard-headed skill.

"Teamwork" is a familiar byword in the sports world, but few realize how deep that theory goes. In the week before the big game, the "unsung team members" begin to plan the details that make the evening function: selling of tickets, planning the halftime show, preparing the team.

Game day and someone must manicure the playing surface, police the grounds and parking lots, take tickets, keep the scoreboard, give voice to the P. A. system, officiate the game, and sell the eats at the concession stand.

In every game the players' faces mirror the energies spent in competition. Their faces reflect emotions and the actions that are a response to the rest of the cheering crowd.

The Wonderful Month of May

".....the most beautiful, most exciting, and most significant part of school life-----the seniors' month of May."

Beginning with an evening of Spring Enchantment at the JR. SR. PROM, and receiving of ANNOUNCEMENTS and CAPS AND GOWNS, the exciting part of May had begun.

The SENIOR BANQUET added to the excitement as Commencement grew nearer.

At BACCALAUREATE the month of May drew to a close. Then the most significant, exciting, and beautiful part of any senior's life-COMMENCEMENT.
